

# HOW ACCESS YOUR FAFSA STUDENT AID REPORT (SAR)

---

**Deadline: March 2, 2015**

The California priority deadline to submit and file the 2015-2016 *Free Application for Federal Student Aid (FAFSA)* is March 2, 2015.

The Marcus Foster Education Fund requires you to upload a copy of **FAFSA Student Aid Report** (*not your FAFSA*) to your online application. 5-7 business days after you have filed your FAFSA, you will receive an email notifying you that your FAFSA has been processed and that your Student Aid Report (SAR) is now available. **PLEASE NOTE: Your SAR cannot automatically be sent to us - we do not have a FAFSA school code. It is your responsibility to follow these instructions and submit and upload it directly to your online application.**

At that point, please:

- Visit [www.fafsa.gov](http://www.fafsa.gov) and click the green 'Login' button in the center of the page.
- When prompted, enter the Student's Name, Social Security Number, and Date of Birth. Click 'Next'.
- You should see the words 'Current Application Status: Processed Successfully' on this screen in bold lettering. Click the blue link which reads 'View Processed Information'.
- On the following screen, enter the Student's 4-digit federal PIN number and Click 'Next'. You used this number to electronically sign your FAFSA.
- A separate window will open up with a five-page PDF. This is your Student Aid Report (SAR). Save this document to your computer.
- If a separate window did not open with your SAR, please make sure that your pop-up disabler is turned off. *If you do not know how to disable your pop-up blocker, search Google or YouTube for your specific browser (Internet Explorer, Google Chrome, etc.) and instructions. We recommend using Google Chrome. If the save button does not allow you to save on Chrome, click the print button to change your "Destination" to "Save as PDF"*

---

Your application will be considered **INCOMPLETE** until we receive your FAFSA SAR. Your SAR must include your name and your Expected Family Contribution (EFC).

**After you download your SAR as a PDF, you will upload it to your online student application. No email attachments or hard copies can be accepted.**  
**For more help contact [tnguyen@marcusfoster.org](mailto:tnguyen@marcusfoster.org).**

It is recommended that you also make a WebGrants account with the California Student Aid Commission at this time. Please visit [webgrants4students.org](http://webgrants4students.org) to create an account to stay informed regarding your Cal Grant eligibility.

**Thank you!**

Based on the information we have on record for you, your EFC is 09113. You are not eligible for a Federal Pell Grant but you may be eligible for other aid. Your school will use your EFC to determine your financial aid eligibility for other federal grants, loans, and work study, and possible funding from your state and school.			

Please make sure we can see a number in the EFC field. If an EFC is missing, there are problems with your FAFSA that must be corrected. These problems are listed on the first page of your SAR. Log into FAFSA to make corrections and wait for a revised SAR.
